Dear Colleague,

The need for quality early childhood services has become more critical to the development of young children. Providing those services in an appropriate manner is no less important. Often, how we teach is as important as what we teach. This packet has been provided to you as the Director of Special Education services to enable you and your staff to understand the issues related to Developmentally Appropriate Practices or DAP. Please disseminate as appropriate.

Gathering this information has been a collaborative effort of all of our staff. We hope that when you have taken the time to review the packet, you will find that it contains helpful information. After you have examined the packet, please complete the enclosed evaluation and return it in the self addressed envelope. Thank you for your interest and your efforts toward the education of young children.

Sincerely,

David P. Lindeman, Ph.D.
KITS Director
