

The Role of Curriculum in Early Childhood Special Education

Introduction

The purpose of this packet is to help early childhood educators:

- Understand the role of standards and curriculum in the education of young children with disabilities and their relationship to IFSP/IEPs.
- Understand that curriculum is the framework for appropriate activities and materials that enhance the development of all children.
- Embed intervention for young children with disabilities into high-quality early childhood curriculum.

Feel free to print and/or copy any original materials contained in this packet. KITS has purchased the right to reproduce the copyrighted articles included in this packet. Any additional duplication should adhere to appropriate copyright law.

The example organizations, people, places and events depicted herein are fictitious. No association with any real organization should be inferred.

March 2007

Dear Colleague,

This packet has been provided to help early childhood educators:

- Understand the role of standards and curriculum in the education of young children with disabilities and their relationship to IFSP/IEPs.
- Understand that curriculum is the framework for appropriate activities and materials that enhance the development of all children.
- Embed intervention for young children with disabilities into high-quality early childhood curriculum.

Feel free to print and/or copy any original materials contained in this packet. KITS has purchased the right to reproduce the copyrighted articles included in the packet. Any additional duplication should adhere to appropriate copyright law.

The example organizations, people, places and events depicted herein are fictitious. No association with any real organization should be inferred.

We hope that when you have taken the time to review this packet, you will find that it contains helpful information. After you have examined the packet, please complete the following evaluation and return it to the address below. Thank you for your interest and your efforts toward the education of young children.

Sincerely,

David P. Lindeman, Ph.D.
Project Director

Kansas Inservice Training System is supported through Part B, IDEA Funds from the Kansas State Department of Education (Grant # 26004).

The University of Kansas is an Equal Opportunity/Affirmative Action Employer and does not discriminate in its programs and activities. Federal and state legislation prohibits discrimination on the basis of race, religion, color, national origin, ancestry, sex, age, disability, and veteran status. In addition, University policies prohibit discrimination on the basis of sexual orientation, marital status, and parental status

The Role of Curriculum in Early Childhood Special Education Packet Evaluation

This packet has been developed as a resource to enable you to understand information and concepts related to curriculum. Its contents were chosen based on requests and needs assessment information. We would like you to evaluate how helpful this packet has been for you. Please tell us what you found most useful, what was not useful, and what material might have been helpful that was not included and return this form to the address below.

Please check the parts of the packet that you found most helpful. In the space provided briefly tell us how or why each part was helpful to you.

- Overview* *EC Standards* *EC Curriculum* *The Role of Play*
 Curriculum and the IEP *Assessment* *Resources*

Please identify why each part you checked was helpful:

Please check the parts of the packet that you found were not helpful to you. Then in the space provided, briefly tell us how or why each part was of little use to you.

- Overview* *EC Standards* *EC Curriculum* *The Role of Play*
 Curriculum and the IEP *Assessment* *Resources*

Please identify what about this part(s) made it of little use:

Please tell us what was not available in the packet that would have been helpful to you.

Please describe how you plan to use the information in this packet.

Other comments or suggestions for future packets:

Thank you for completing this form and returning it to us!
